BSTAR ALLIANCE PARTNER CONFERENCE AGENDA

Day 1 MC : Marie Bermingham - Sovereign Bridge Capital Group

Future - Professional Advisers

Speaker: Mark Holton – 2020 Asia Pacific

Internationally recognised presenter, Mark Holton, managing director of 2020 Asia Pacific will provide up to date commentary on the future of professional services.

Growing your business advisory revenue

Speaker: Brendon Harrex - Harrex Group

Young NZ Accountant of the year, Brendon Harrex, director of Harrex Group will showcase his business model for Accountants to grow their business advisory revenue.

Brendon's session will include how to transition to value based pricing, new client services, a Business Life Planning Program strategy, most importantly the implementation process and results achieved.

Attracting new SME clients

Speaker: Peter Scolari - Scolari Comerford

Peter Scolari, managing partner of Scolari Comerford will showcase his business model for attracting new high value clients in the SME market.

Peter's session will include why value-adding services are an integral part of his new client acquisition plan, his innovative marketing strategies, the implementation process and the dramatic results achieved.

Growing fee for service revenue in the SME market

Speaker: Adam Goldstien - Skeggs Goldstien

Adam Goldstien of Skeggs Goldstien, a successful, growing financial services business in North-Western Sydney, will share information on how he and his business partners have achieved great success providing high value fee based solutions to SMEs.

Adam's session will include information on how they have successfully integrated 'Bstar Services' into their business service offering, enabling them to add real value to their client's business and lives, while significantly increasing their average revenue per client.

Achieving greater qualified referrals from centres of influence and creating niche market opportunities

Speaker: Mark Greaves - Future Biz Advisors

Mark Greaves from Future Biz Advisors will showcase his forward thinking business model for Advisers to build profitable centres of influence relationships and to take advantage of niche market opportunities.

Mark's session will include why he believes Advisers are best suited for the role of principal adviser, his win win approach to managing COI and how he has transformed his business to cater for the future needs of SMEs.

Attend 2 separate Training Workshops each day (Law industry focus)

Business valuations

Enhance your business valuation professional advisory skills by attending a practical training session. The session will enable you to better understand how to use the Bstar Business Capitalisation Rate Calculator to grow your client business valuation advisory services and end with an interactive demonstration of the new Law Business Valuation materials.

Business value gap

Enhance your business value gap professional advisory skills by attending a practical training session. The session will enable you to better understand how to use the Bstar Business Value Gap Calculator to grow your client advisory services and end with an interactive demonstration of the new Law Business Value Gap materials.

Managing staff

Enhance your staff management professional advisory skills by attending a practical training session. The session will enable you to better understand how to use the Bstar Staff Value Program to grow your staff management advisory services and end with an interactive demonstration of the new Law Staff Value Program materials.

Succession planning

Enhance your succession planning professional advisory skills by attending a practical training session. The session will enable you to better understand how to use the new online Bstar Business Life Planning Program software to grow your client succession planning advisory services and end with an interactive demonstration of the new Law Business Life Planning Program materials.

SPECIAL FEATURE - SME CLIENT SUCCESS STORY

Imagine inheriting a family business losing substantial money in a tough business environment.

John Bennetts from 4 Your Success will walk you through a compelling real life case study of how his specialised advice and support to the family successor resulted in an amazing 18 month turnaround in sales, margins and produced record profits.

Learn how John introduced the Bstar Staff Value Program to engage staff to increase sales, improve productivity and create the care factor.

IMPORTANT

BSTAR ALLIANCE PARTNER CONFERENCE AGENDA

Day 2 MC : Martin Goodrich - Martin Goodrich and Associates (MGA)

Improving your marketing and selling skills

Speaker: Joe Porteus - Shirlaws

What do you say when your clients ask: **how much?** The answer seems straight forward but for many Professional Advisers new fee opportunities are lost due to a lack of sales and marketing skills.

Joe Porteus, partner in Shirlaws Australian coaching business will showcase proven techniques for you to improve your client engagement rates. Joe's interactive coaching session will cover how to identify common road blocks when promoting new services, charge appropriately for these services and introduce powerful frameworks to establish a sustainable sales improvement process and build client loyalty.

Improving your engagement rates with clients

Speaker: Paul Haselhurst - Bstar

You can waste a lot of time and effort if you get it wrong! Paul Haselhurst of Bstar has helped many Alliance Partners achieve great success in engaging with their business clients through using Bstar's simple proven process. This session will provide you with valuable information on how to improve your engagement levels with your clients by better understanding their needs and aligning your services so you can help them achieve their objectives – business and personal.

Pharmacy Specialisation Success Story: Guess who?

With a minimum 1 in 5 prospective Pharmacists agreeing to an engagement consultation the Bstar Pharmacy Industry Specialisation Package has exceeded Alliance Partner's expectations.

With no previous experience in the Pharmacy sector, our Pharmacy industry champion will showcase how they have used the Pharmacy Industry Specialisation Package to attract new Pharmacy clients.

This session will include their marketing strategy, engagement process, new innovative in demand services offered to Pharmacists, pricing model and results achieved.

Becoming a specialist adviser to the legal industry

Speakers: Grant Bloxham - Bstar
John Duncan-Watt - Bstar

7,000 + law firms present an attractive niche market opportunity with industry specialisation providing the key to successful growth in this high value sector.

Grant Bloxham and John Duncan-Watt from Bstar will launch the Law Industry Specialisation Package*.

This session features an analysis of industry needs and innovative marketing strategies to attract new law industry based SME clients.

* this is a restricted offer.

SPECIAL FEATURE - SME CLIENT SUCCESS STORY

Discussing and resolving succession for most family and private businesses is challenging enough but for some farming enterprises it's almost impossible.

Scott Patterson from Wealth Experience was presented with a farming client succession planning scenario that will become increasingly more prevalent as baby boomers transition to retirement.

Key issues that needed to be resolved included; Dad refusing to discuss succession; the likelihood of family disputes increasing; and no formal plan on how to decide who gets what.

Learn how Scott introduced the Bstar Business Life Planning Program to his farming client to provide structured high quality succession planning advice.
